

# Jikiden Reiki® with Arjava

Reiki is a simple form of energy healing from Japan known as "Shinshin Kaizen Usui Reiki Ryoho" which translates as "Usui treatment for the improvement of body and mind." Jikiden Reiki® is the original teaching of Reiki presented with credibility and clarity.

It is entirely free of Western influence. Its roots go back almost to the discovery of Reiki itself. It differs from "Western" style Reiki in approach, attitude and ideas. You will experience Reiki in its original beauty and simplicity.

- It is unique- a Japanese Reiki with no western ties
- It is much more than a relaxing therapy- It has a history of success with chronic illness
- A clear history that has been proven for many years to be safe and effective
- A very simple, non-religious therapeutic treatment that works whether you believe in Reiki or not
- Includes all ideas and methods not previously taught in the west
- Accreditation and Regulatory Bodies within the Jikiden Institute in Japan.

## Frank Arjava Petter

Arjava sensei has been teaching Reiki since 1993 but his deeper and internationally celebrated involvement with Reiki began when he "discovered" the grave and memorial stone of Reiki founder, Mikao Usui, in Tokyo and original documents by Usui and his students. Because of his unique connection to Reiki history, Arjava, teaches the Jikiden seminars in 5 days integrating information from his seven worldwide bestselling books about Reiki's origins.

When he is not teaching worldwide he spends his days writing inspirational texts and fiction to be published in the near future. He is the Vice-Chairman of The Jikiden Reiki® Institute in Kyoto, Japan.
